The Kingdom Bible Version (KBV 2011), Edition 5.0, December 2011

### **COPYRIGHT INFORMATION**

The Kingdom Bible Version is published exclusively by TLHS Publishing Ministries of Minneapolis, MN (Max L. Day, Editor and President).

**The Kingdom Bible Version is in the PUBLIC DOMAIN with no restrictions whatsoever on reproductions of any kind.**

The Kingdom Bible Version is currently published online and in print. Copies of the print edition (in Binders) are available **upon request at cost + S&H** by sending an email to **max@phibible.org** for more information. This is only for your convenience, if you wish to have a copy in hardcopy.

Otherwise, the Kingdom Bible version is not being sold anywhere at any price at this time. The only way you can obtain the Kingdom Bible is as a free download in PDF format: either at <http://www.phibible.org> (the official TLHS Publishing website) or by special request for a single hardcopy.

**The PDF version is formatted for printing on 8.5 x 11 inch paper**, so if you want to print it yourself, you are welcome to do so. I recommend a color laser printer, using at least 600 dpi resolution. The better the quality of your printer, the better will be the printed result.

God bless you as you serve the Living Jehovah God in the flesh, our lovely Lord Jesus Christ!
